

Wheels assembly instruction

UDG Ultimate Trolley To Go UDG Ultimate SlingBag Trolley Deluxe
UDG Ultimate DIGI Trolley To Go UDG Ultimate SlingBag Trolley Set Deluxe

We recommend that you have your trolley frame, wheels and/or casing replaced at a luggage repair facility

1 Prepare a wrench, hex wrench and new wheels set.

(1 set spare part for right & left wheel)
wheel, screw, washer & nut

2

Turning anticlockwise the right wheel and turning clockwise the left wheel for loosen the screw

3

- A** Put the wheel into the frame.
- B** Install the screw into the hole between frame & bearings.
- C** Install the nut into the screw inside the bag.
- D** Tighten up the new wheel with hex key & wrench.

4

Install the new wheel, screw, washer & nut

5

Tighten up the new wheel with hex key & wrench
