Escuadras metálicas de instalación
Ferragens de instalação
Installatiehardware

English

Installing the Pedal Board

1. Attach the installation hardware to the inside of the side boards.
2. Fasten the pedal board (KPD-90) to the stand as shown in the illustration.
3. Connect the cable of the pedal board to the R jack, C jack, and L jack on the rear panel of the FP-90.

日本語

ペダル・ボードの取り付けかた

1. 取り付け金具をサイド・ボードの内側に取り付けます。
2. ペダル・ボード (KPD-90) を図のようにスタンドに固定します。
3. ペダル・ボードのケーブルをFP-90背面のR端子、C端子、L端子に接続します。

Deutsch

Installieren der Pedaleinheit

1. Befestigen Sie die Metallwinkel an den Innenseiten der Seitenteile.
2. Befestigen Sie die Pedaleinheit (KPD-90) am Ständer wie in der Abbildung gezeigt.
3. Schließen Sie das Kabel der Pedaleinheit an die R-Buchse, C-Buchse und L-Buchse auf der Rückseite des FP-90 an.

Français

Installation du pédailler

1. Fixez le matériel d'installation à l'intérieur des panneaux latéraux.
2. Fixez le pédailler (KPD-90) au support comme montré sur l'illustration.
3. Connectez le câble du pédailler à R jack, C jack et L jack sur le panneau arrière du FP-90.

Italiano

Installazione della pedaliera

1. Fissare i giunti di installazione all'interno dei pannelli laterali.
2. Fissare la pedaliera (KPD-90) al supporto come indicato nella figura.
3. Collegare il cavo della pedaliera alla presa R, presa C, e alla presa L sul pannello posteriore dell'FP-90.

Español

Instalación del tablón de pedales

1. Acople una escuadra metálica de instalación al interior de cada uno de los tableros laterales.
2. Fije el tablón de pedales (KPD-90) al soporte como se muestra en la ilustración.
3. Conecte el cable del tablero de los pedales en el conector R, el conector C y el conector L situados en el panel trasero del FP-90.

Português

Instalação da pedaleira

1. Fixe as ferragens de instalação na parte interna dos quadros laterais.
2. Prenda a pedaleira (KPD-90) ao suporte como mostrado na ilustração.
3. Conecte o cabo da pedaleira ao conector R, conector C e conector L no painel traseiro do FP-90.

Nederlands

Het pedaalbord installeren

1. Bevestig de installatiehardware aan de binnenzijde van de zijpanelen.
2. Bevestig het pedaalbord (KPD-90) op de standaard, zoals wordt weergegeven op de afbeelding.
3. Sluit de kabel van het pedaalpaneel aan op de R-aansluiting, C-aansluiting en L-aansluiting op het achterpaneel van de FP-90.

English

Before using this unit, carefully read "USING THE UNIT SAFELY" and "IMPORTANT NOTES". After reading, keep the document(s) where it will be available for immediate reference.

USING THE UNIT SAFELY

INSTRUCTIONS FOR THE PREVENTION OF FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS
About the Symbols
The symbol alerts the user to important instructions on how to prevent fire, electric shock, or injury should the unit be used improperly.

The symbol alerts the user to items that must never be carried out (are forbidden). The specific thing that must not be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the power-cord plug must be unplugged from the outlet.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.

The symbol alerts the user to things that must be done. The specific thing that must be done is indicated by the design contained within the circle at the left; it means that the unit must never be disassembled.
